

Blog Blocks

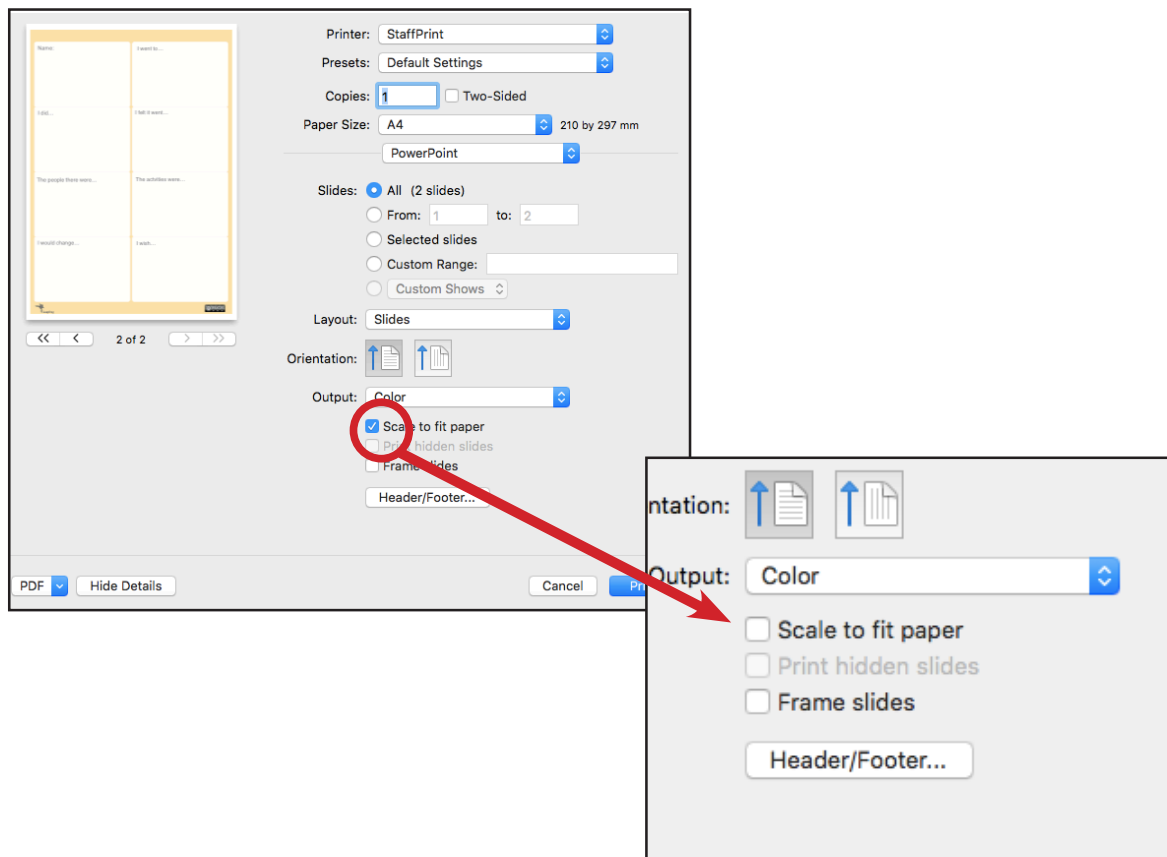

Reflect on and record your experience of a service

Printing Guide:

Use these stickers to write about an experience of a service and then attach them to the Blog Builder template. You can edit the questions on each sticker to suit your needs. Simply double click on any of the box headings to change the text.

Print out the Blog Block stickers onto an A4 sheet of printable labels. We recommend using 99.1mm x 67.7mm labels from WHSmith: <https://tinyurl.com/y8rrltqt>

When you're ready to print, make sure you disable the 'scale to fit paper' option in the print dialogue box. This will mean your stickers will print correctly onto the label sheet.

Blog Blocks

Name:

I went to...

I did...

I felt it went...

The people there were...

The activities were...

I would change...

I wish...
